Shopify

2

1 Manage cross-channel conversations

Communicate with customers over multiple channels from a single agent interface.

2 Keep context for every customer

Make the move between channels seamless for customers while maintaining full conversation history, customer records, and sentiments.

Improve team productivity and satisfaction

Reduce costs

by providing chatbot support for FAQs and letting agents focus on resolving more complex enquiries.

Customize workflows

with easy-to-use routing services and direct customers to the right agent at the right time.

Manage resources effectively

by tracking team performance and customer activity.

We provide you a contact center solution and channel connectivity.

-  Easy implementation
-  Scalability
-  Modularity
-  Integrations (CRM, ticketing, e-commerce)
-  Omnichannel

Infobip helped us increase our NPS score by 19% and reduced the costs associated with our contact center by 10-fold.
